INDEX

Beef Cattle

Problems of Livestock Producers ..... July, 1947
Osage Cattle Kingdom ..... Aug.-Sept., 1947
Correcting Herd Faults ..... Nov., 1947
Creep Feeding for Calves ..... Nov., 1947
Reducing Feed Costs ..... Dec., 1947
How Fat Shall Cattle Be? ..... Jan., 1948
Nutritional Diseases in Beef Cattle ..... Jan., 1948
The Brand ..... Feb., 1948
Why Prove Herd Sires? ..... Feb., 1948
Brome-Alfalfa Builds Beef ..... Feb., 1948
Shipping Fever ..... Feb., 1948
They do as They're Told ..... Mar., 1948
Creep Feeding Saves Grain ..... Mar., 1948

Conservation

1000 Acres Back to Work ..... July, 1947
Greece Looks Ahead ..... July, 1947
Restoring Grass to Idle Lands ..... Oct., 1947
Trashy Mulch Methods ..... Oct., 1947
Living Fences ..... Oct., 1947
Don't Give Up on Grass ..... Nov., 1947
20 Acres ..... Jan., 1948
A Plan on Every Farm ..... Feb., 1948
Harvesting Badly Needed Native Grasses, Feb., 1948
Stop Gullies—the Easy Way ..... Feb., 1948
Soil Reconstruction ..... Mar., 1948

Crops

Crops ..... April, 1947
Successful Seeding Tricks ..... April, 1947
A Better Sudan ..... April, 1947
Australian Subterranean Clover ..... April, 1947
Rich Fog in the Hollows ..... May, 1947
200 Bushels of Ear Corn Per Acre ..... May, 1947
Rust: Shifty, Costly Wheat Enemy ..... June, 1947
Major Elements in Plant Nutrition ..... June, 1947
Experience with Ladino Clover ..... June, 1947
New Clovers and Alfalfas ..... Aug.-Sept., 1947
Hot Hay ..... Aug.-Sept., 1947
Does It Pay to Cultivate? ..... Oct., 1947
New Grasses for Old ..... Oct., 1947
Brome vs. Good Management ..... Oct., 1947
Combines vs. Clover ..... Nov., 1947
Broomsedge Land Yields Well ..... Dec., 1947
26 Years of Diversified Farming ..... Dec., 1947
Peace from Grass ..... Dec., 1947
No More Corn Plowing ..... Jan., 1948
Oasis—California Style ..... Mar., 1948
New Legume for the South ..... Mar., 1948

Dairy Cattle

Calves Solve a Problem ..... Mar., 1947
Selecting Your Herd Sire ..... Mar., 1947
"Mail Order" Breeding ..... April, 1947
Why Stoop to Milk? ..... May, 1947
World's Cheapest Hired Hand ..... May, 1947
Ensilage Feeding Without Work ..... May, 1947
The Romance of the Gut ..... June, 1947
Radiant Heat in the Dairy Barn ..... June, 1947
An Old Fiber with a Future ..... July, 1947
No Fork on this Farm ..... July, 1947
One Man Silo Filling ..... July, 1947
Roughage for Dairy Cattle ..... Aug.-Sept., 1947
Cost of Getting a Cow with Calf ..... Oct., 1947
Care of Calves Important ..... Oct., 1947
10,000 Sons and Daughters ..... Oct., 1947
Champions Require Good Feeding ..... Nov., 1947
One-Man Milking Plant ..... Nov., 1947
Selecting Young Bulls and Heifers ..... Dec., 1947
Raising Dairy Calves ..... Dec., 1947
The Pen Type Cow Stable ..... Jan., 1948
Winter Grazing in the South ..... Jan., 1948
70% of Milk from Good Roughage ..... Feb., 1948
*Cow Clipping Pays in Clean Milk ..... Feb., 1948
Milking Cows Without Stooping ..... Mar., 1948
Prenatal Care Through Feeding Dry Cow, Mar., 1948
Teat Erosions ..... Mar., 1948
Minimum Grain Rations ..... Mar., 1948

Economics

One Answer to Farm Tenancy ..... Feb., 1948
Ehgland Faces the Future ..... Feb., 1948
Polish Peasant Becomes a Farmer ..... Feb., 1948
Look at the Whole Business ..... Mar., 1948
Where the Food Dollar Goes ..... Mar., 1948

Farm Buildings

New Barns Out of Old ..... Feb., 1948
What About New Buildings ..... Aug.-Sept., 1947
Roofs for Farm Buildings ..... Nov., 1947
Is Your Farm Safe from Fire? ..... Dec., 1947
Care of Electrical Cords ..... Dec., 1947

Farm Machinery

Operation of the Barn Hay-Drier ..... June, 1947
A Hired Man or More Machinery? ..... June, 1947
Cooling Milk to Warm the Profits, Aug.-Sept., 1947
One Failure in 8 Years ..... Aug.-Sept., 1947
How to Choose a Haying Method ..... Oct., 1947
New Machines on the Farm Horizon ..... Oct., 1947
Research Begins on the Farm ..... Nov., 1947
Hay Crusher ..... Dec., 1947
Self-Feed Hay Dryer ..... Jan., 1948
Hay Finishers Prove Their Value ..... Jan., 1948
What Makes Machinery Wear Out? ..... Feb., 1948
Silage Comes Tumbling Down ..... Feb., 1948
Field Forage Harvester ..... Mar., 1948

Feeds

Saving Grain on the Farm ..... Feb., 1948
Balanced Feeding Cuts Grain Needs ..... Mar., 1948

Fertilizers

Production of Mulch Material ..... June, 1946
B Vitamins from Cow Manure ..... June, 1946
Phosphates in Working Clothes, Aug.-Sept., 1946
The Farmer's Wood Bank ..... Oct., 1946
Fertilizing for Yield and Soil Improvement, Dec., 1946
Fertility in a Hurry ..... Dec., 1946
Fertilizer Nitrogen from Various Sources, Mar., 1947
There's Money in Manure ..... May, 1947
Feed the Crops for High Yield ..... April, 1947
The Story of Fertilizer ..... July, 1947
Ca vs. Mg in Agricultural Lime ..... July, 1947
The Fertilizer Rate Problem ..... Aug.-Sept., 1947
How to Build Lasting Fertility ..... Mar., 1948

Forestry

Making New Chestnut Trees ..... July, 1947
Does Good Farm Forestry Pay ..... Oct., 1947
Making Water Wetter ..... Feb., 1948
Learning by Burning ..... Mar., 1948
Protect the Land ..... Mar., 1948

Fruit

Sell Your Black Walnuts ..... May, 1947
Infra Red Heat Cuts Cold Losses ..... Dec., 1947
Use of 2, 4D in Orchards ..... Jan., 1948
Fruitwood is Famous for its Quality ..... Feb., 1948
$300 a Ton for Hay Sold to Soil ..... Feb., 1948
Film Seals in Freshness of Fruit ..... Feb., 1948
Benefits of Orchard Mulching ..... Mar., 1948

INDEX

Power Pruning ..... Mar., 1948

Hay

What's Wrong with Hay ..... July, 1947
Is It Dry Enough? ..... Mar., 1948

Hogs

Control of Necro ..... July, 1947
Multiple Farrowing ..... Aug.-Sept., 1947
Baby Pig Disease ..... Aug.-Sept., 1947
Improving the Hogs You Raise ..... Oct., 1947
Benzene Hexachloride ..... Nov., 1947
Limited Feeding Pays Some Feeders Nov., 1947
Get 'Em Off to a Flying Start ..... Dec., 1947
Feeding Prospective Herd Gilts ..... Jan., 1948
Creep Feeding Pigs Is Desirable ..... Jan., 1948
Cross-Bred Performance ..... Feb., 1948
Synthetics for Puny Pigs ..... Feb., 1948
*To Save Baby Pigs ..... Feb., 1948
Save Those Spring Pigs ..... Mar., 1948
Salt Requirements for Hogs ..... Mar., 1948

Horses

The Arab Horse ..... May, 1947
Group Riding in California ..... Nov., 1947

Insecticides

No More Bugs to Bother Them ..... Feb., 1947
New Methods to Apply Concentrated Spray, April, 1947
New Insecticide for Cotton Growers ..... Oct., 1947
No Flies in Iowa ..... Nov., 1947
Soil Poisoning Termite Control ..... Feb., 1948

Insects

Hormones Reduce Insect Damage ..... June, 1947
Now Pest Damage Can Be Predicted ..... July, 1947
Destruction in the Dark ..... Aug.-Sept., 1947

Pastures

New Life for Old Pastures ..... Feb., 1947
Pasture Silage—Quality Feed ..... July, 1947
Rotation Grazing ..... Aug.-Sept., 1947
From Swamps to Pasture ..... Nov., 1947
Let's Remodel Our Pastures ..... Dec., 1947
Pastures Can Line Your Pockets ..... Jan., 1948
Grass for Mid-Summer Use ..... Feb., 1948
Sudan Grass for Hog Pasture ..... Feb., 1948
Brome-Alfalfa Builds Beef ..... Feb., 1948

Poultry

Don't Cull Those Broody Hens ..... June, 1947
Heat—The Enemy of Egg Quality ..... July, 1947
Artificial Control of Egg Production ..... July, 1947
What "Hen Pecked" Means ..... July, 1947
One Man Egg Factory ..... Aug.-Sept., 1947
Bran Replaces Litter with Radiant Heat, Aug.-Sept., 1947
Ten-Point Health Program ..... Nov., 1947
Deep Litter Saves Labor ..... Nov., 1947
What Will Formula 144 Do? ..... Dec., 1947
What About Limed Litter? ..... Dec., 1947
Study Your Chore Path ..... Jan., 1948
The Old Hen Question ..... Jan., 1948
Findings in Poultry Feeding ..... Feb., 1948
Turkeys—Large or Small ..... Feb., 1948
Feed Protamone ..... Feb., 1948
New Automatic Egg Washer ..... Mar., 1948
So You Want to Smoke Turkey! ..... Mar., 1948
Rush for Turkey Steaks ..... Mar., 1948

Sheep

And Now It's Sheep Fur ..... July, 1947
The Way to Get Fast Feathering ..... Oct., 1947
Use Litter for Five Years? ..... Oct., 1947
Development of Targhee Sheep ..... Oct., 1947
Sheep Dog Trials ..... Nov., 1947
Spraying Sheep With DDT ..... Feb., 1948
*Cull Dry Ewes ..... Feb., 1948
*Spraying on the Hoof ..... Feb., 1948
Vitamin E for "Stiff-Lamb" Disease ..... Mar., 1948

Soils

Acid Metabolism Vital to Plants ..... Nov., 1947
Lime—Foundation of Soil Fertility ..... Nov., 1947
Rain Can Mean Riches or Ruin ..... Dec., 1947
Extra Soil Fertility for Protein ..... Dec., 1947
How Much Lime? ..... Dec., 1947
Phosphorus: The Belle of the Soil ..... Jan., 1948
Fertilizer and Tillage Effects on Soil ..... Jan., 1948
How Soils Nourish Plants ..... Feb., 1948
$300 a Ton for Hay Sold to Soil ..... Feb., 1948

Weeds

Flame Farming ..... Jan., 1948
No More Corn Plowing ..... Jan., 1948
*New Quackgrass Killer ..... Feb., 1948
Fighting Weeds With Fire ..... Mar., 1948
Warren Co. Licked Wild Radish ..... Mar., 1948

Vegetables

Utilizing Vegetable Wastes ..... Dec., 1947
Potato "Sleeping Potion" Chemical ..... Jan., 1948
Water for Thirsty Vegetables ..... Feb., 1948
Oil Spray for Weeding Carrots ..... Mar., 1948

Miscellaneous

Farming's History Unfolds Its Story ..... Oct., 1947
Indians and Early Agriculture ..... Oct., 1947
